

**ASHE NORTH-CENTRAL NEW JERSEY SECTION &
ASHE SOUTHERN NEW JERSEY SECTION
PRESENT:**

PROJECT OF THE YEAR AWARDS BANQUET

The awards are presented annually in recognition of consulting engineering firms, contractors and transportation officials for their efforts to provide quality roadway facilities in New Jersey. This year's entries have been evaluated by a distinguished panel of judges representing the transportation industry, government and the construction sector throughout state of New Jersey. The evaluation has resulted in the selection of top award recipients in 2 categories – projects over \$5 million and projects under \$5 million in construction value. There will be a presentation by each of the winning projects designer of the issues/ complexities encountered and their resolution.

Projects Submitted

Under \$5 Million Construction Value

Emergency Bridge Repairs - Route 3 over the Hackensack River, Secaucus Twp., Hudson County	Route 33/34 EB over Southern Division Railroad, Howell and Wall Townships, Monmouth County
