Transportation & Infrastructure in New Jersey
North Central—Southern New Jersey Chapter Joint Meeting
The Cranbury Inn
21 S Main St, Cranbury, NJ

Message from the President Carrie Strehle, ASHE SNJ President 2015-2017

As I start my 2nd term as President of ASHE SNJ, I want to look backward at our achievements this past year and forward to what 2016-2017 will bring for our membership. I want to thank our Board and Committee members for their efforts in making sure we have programs that are interesting as well as beneficial to our members. As always, I encourage our members to reach out with suggestions for future meeting topics or venues.

This past year marked our **30th Anniversary**. This milestone was celebrated on June 24th in Atlantic City. We had a great mix of attendees including original charter members, past presidents, past members, and current members. Special guests included ASHE National President – Larry Ridlen, ASHE National Past President – Sam Mody, and Northeast Regional Director – Don DiZuzio. Making it to 30 years is a testament to the commitment of our Board members, committee members, and our regular membership. [Let's keep it going for another 30!!!](#)

The 2015-2016 year started off with a well-attended joint meeting with ASHE NC-NJ. NJDOT representative David Kuhn, Senator Oroho, and Assemblyman Wisniewski captivated the crowd with their thoughts and hopes for the future of NJ.

Throughout the year, we heard presentations on the Assunpink Daylighting Project, PATCO Track Rehabilitation across the Ben Franklin Bridge, Route 72 (Contracts 3, 4, 5), Route 18 over Route 1, and Rt. 130 over Raccoon Creek.

The [January ethics presentation](#) had a record attendance of over 100 people. We plan on making that an annual program.

Our [Annual Project of the Year Awards](#) banquet with ASHE NC-NJ was a success. Congratulations to Michael Baker International and Greenman-Pedersen, Inc. for their award winning project submissions! We had 3 Collingswood Middle School students who came to event and presented their Future City diagram. I truly admired these girls for standing up in front of our group and presenting their City with such enthusiasm.

I think everyone enjoyed the [May Field Trip](#) to the Garden State Parkway Widening MP 35 to MP 38. Riding in a Jitney was definitely a highlight! A special thanks to Stantec for coordinating this event.

The [Annual Scholarship Golf Outing](#) was held on June 8th at Ramblewood Country Club. The new venue was enjoyed by all. Despite getting a little soggy during the tent mishap, it turned out to be a fun day on the course. We raised over \$7K for our Scholarship Fund – thank you everyone!!!

We are in the midst of planning our coming year so please reach out with ideas and suggestions. In addition, we are always looking for volunteers to help!
